2. **Error-Free Applications:** If the application is not complete or filled in wrongly, it may lead to a delay or rejection of the application. RCICs also make sure that all the documentation is done properly and all the submissions are made on time.
3. **Representation in Complex Cases:** If an application is complicated, an RCIC can speak on behalf of the client to bring about the best results.
4. **Ethical Practices:** Licensed RCICs adhere to stringent ethical standards, offering clients peace of mind throughout the process.
